## **COBRA LEGAL SOLUTIONS HOSTS 'COBRA GLOBAL' RECEPTION IN CHENNAI**

### **CEO to Honor the Contributions of the Chennai Facility**

**CHENNAI, Tamil Nadu, India – September 13, 2013.** Cobra Legal Solutions Pvt. Ltd., a leading provider of legal support services, will host a reception for clients, friends and business leaders on Friday, September 13, 2013, from 5:30 to 7:30 pm at the The Taj Coromandel Hotel. The reception is by invitation only.

Candice Hunter Corby, Cobra's Chief Executive Officer, will host the event, which will celebrate the energy and strength of Cobra's global resources and commend the company's Chennai-based operations.

According to Corby, "Cobra was founded on the tactical advantages of a seamless global enterprise. But it is the everyday collaboration – the invigorating and inspiring exchange of ideas within our company – that drives our growth and maximizes the value we deliver to our clients."

Cobra was established by a group of U.S. lawyers with extensive large firm experience and philanthropic ties to Tamil Nadu. These individuals recognized the advantages associated with pairing the support needs of international corporate legal departments and law firms with the intellect and talent of Indian-trained lawyers, project managers and technologists.

Cobra provides legal support services to clients from various industries including: financial services, technology, retail, and semiconductor, as well as law firms. Cobra currently focuses its services delivery on compliance & risk management, document review and analysis, M&A due diligence, litigation technology solutions, multi-system integration and application development, and contract management.

Continued client demand suggests further growth for Cobra.
