COBRA LEGAL SOLUTIONS: A GROWING FORCE IN LEGAL AND TECHNOLOGY SERVICES *Cobra bolsters team with strategic, powerful new addition*

AUSTIN, TX– Cobra Legal Solutions, a leading global provider of technology and legal services, is proud to welcome new addition to its Austin team that bring unique experience to expand Cobra’s growing capabilities.

Kendra Smith joins Cobra as Director of eDiscovery and Information Governance. With her unique blend of legal and technological expertise, Ms. Smith will tailor e-discovery, litigation preparedness, and information governance solutions to each client’s unique challenges and goals. Ms. Smith has spearheaded electronic discovery for law firms, corporate legal departments, and service providers in state and federal courts, government investigations, and due diligence reviews, which gives her a uniquely broad and valuable perspective for Cobra’s clients.

“As Cobra’s clients’ needs expand, so must service offerings and expertise. With the addition of Kendra, Cobra is poised to deliver on the challenges of tomorrow,” said Candice Corby, Cobra’s CEO.

About Cobra Legal Solutions
